The Song

Eternal Weight of Glory

Now the days and hours and moments of our suffering seem so long; and the toilsome wait and wond'ring threaten silence to our song. Now our pain is real and pressing where our faith is thin and weak, but our hope is set on Jesus; and we cling to him, our strength.

Oh eternal weight of glory! Oh inheritance divine! We will see our Lord redeeming every past and future time. All our pains will be transfigured, like the scars of Christ our Lord. We will see the weight of glory and our broken years restored.

For behold! I tell a myst'ry: at the trumpet sound we'll wake. "Death is swallowed up in vict'ry!" when we meet our King of Grace. Every year we thought was wasted, every night we cried "How long?", all will be a passing moment in our Savior's vict'ry song.

We will see our wounded Savior. We'll behold him face to face; and we'll hear our anguished stories sung as vict'ry songs of grace. *Refrain*

The Invocation

The Confession of Faith Westminster Larger Catechism #16-17

Leader: How did God create angels?

Leader and People: God created all the angels spirits, immortal, holy, excelling in knowledge, mighty in power, to execute his commandments, and to praise his name, yet subject to change.

Leader: How did God create man?

Leader and People: After God had made all other creatures, he created man male and female; formed the body of the man of the dust of the ground, and the woman of the rib of the man, endued them with living, reasonable, and immortal souls; made them after his own image, in knowledge, righteousness, and holiness; having the law of God written in their hearts, and power to fulfill it, and dominion over the creatures; yet subject to fall.
